Mission Statement:

The Curricular Support Teacher will partner with the school community in order to create a learning environment that supports all children.

Appetizers

Gather Resources – Hunt for those hard to find lesson components.

Substitute – Cover your class so that you may observe another colleague.

Scheduling – Help you develop a daily lesson schedule (for example, blocking time for Writer's Workshop).

Planning – Through conversation, help to develop lessons that meet standards.

Main Entrees

Model Lessons / Demonstration Lessons – Lessons can be modeled in your room or ours.

Team Teaching - After planning collaboratively, teach a lesson together.

Classroom Assistant – If you need another pair of hands for a lesson or small group, or another pair of eyes to help track concerns.

Dessert

Reflection – Through conversation and observation we can help you work through difficult or successful lessons to further enhance your teaching practice.

Collaboration / Networking – We can help you connect with other teachers both in our building and beyond.

Brainstorming & Listening – Sometimes you just need someone to talk to about your lesson or your life.

WARNING: The Chefs are not EXPERTS. We gather the BEST practices from our clients. If you don't see what you need or want check back soon - the menu is always changing!

The chefs will be developing more offerings throughout the year.
